

# TGC Extradition team invites you to a webinar in advance of the publication of

## *A Practical Guide to Extradition Law Post-Brexit*

3 December 2020 5pm- Zoom

(details to follow)

The United Kingdom's exit from the European Union will have a profound impact on cross-border co-operation in criminal matters.

The legal instruments that have been used by Member States for the past 17 years will no longer apply to the United Kingdom when the transition period ends on 31st December 2020. Key amongst those instruments is the European Arrest Warrant.

*A Practical Guide to Extradition Law post-Brexit* is intended to guide the practitioner through the extradition procedure under the E European Convention on Extradition 1957, as it re-emerges as the framework governing our extradition arrangements.

Our webinar will be a brief preview of the book.
