+44 (0)20 7583 1315

Angus Macpherson was in general common law practice, until embarking on regulatory work, which he has undertaken for the last twenty years or so.

He initially worked as a legal assessor, but in 2017 was appointed to be a Legally Qualified Chair in the MPTS where he carries out most of his work.

Expertise

Professional Discipline

Angus has undertaken regulatory work for the Health Professions for twenty years, advising in and/or determining a range of misconduct, lack of competence and health cases for doctors, dentists, vets, nurses and midwives.
