Heather Dardis is an experienced personal injury barrister with a particular interest in equine and equestrian related cases.

She regularly acts for claimants and defendants at both fast and multi-track level. Heather has a growing practice with a varied mix of employers' liability; highway tripping and road traffic accident cases.

Expertise

Personal Injury

Extensive advisory and trial experience in fast and multi-track personal injury claims. Heather especially enjoys acting in claims relating to equestrian accidents.

Motor Insurance Fraud

Experience of all aspects of motor insurance fraud in particular low velocity causation arguments and claims involving 'phantom passengers'.

Credit Hire

Extensive trial and advisory experience of high-value credit hire claims. Issues relating to mitigation and impecuniosity have frequently featured in many of Heather's cases.
